Chairman Message

I have always strived to give an excellent infrastructure and an enabling environment in all my schools. I take this opportunity to congratulate all the parents, patrons and well-wishers for the status of the school will help our students to make the best use of their abilities not only in India but also abroad. It's my commitment that Ram Manohar Lohiya Public school will continue to promote quality education and children will enjoy their learning and reap abundant harvest as long as they are under my protection. Teaching according to me is not run-of-the-mill-job". It is a commitment that demands impeccable character and elements of honesty and sacrifice to serve as role model for the students. It is not a job of the last resort. It is an elevated position of a Nation Builder. Unless the teachers of the Nation imbibe this spirit, the country will keep slipping on the corruption perception index. Manager- **Shiv Narayan Verma**, **GOKUL INTERNATIONAL ACADEMY** , KEKARCHAVAR, KARAUDIKALA, Sultanpur

OUR VISION

Parenting a child has many challenges in today's world of competition which calls for high caliber with finer talent To help the parents in this earnest attempt, the management of SCHOOL ROOMS always believe that it is very important to lay strong base and foundation in a child's formative years so that his/her career future is secured. Our school promotes academic excellence among the students thus bringing it par with the best schools in the country.

GIA that believes that freedom of spirit and zeal for discovery are as important as the needs for discovery a important as the need for discipline and as a sense of duty. We aim to develop both mind and body of the child and strongly emphasize the need for an all round development of the pupil's personality.

Our Goal

The aim of our school is to offer the child the best possible all round education. We therefore try to provide a happy and secure learning environment. Where work and play are integrated so that each child acquires basic skill of literacy and numeracy. Simultaneously, we aim to develop the whole disposition of a child by giving as many different and varied experiences as possible, right his/her foundation stage.
